The district and the Customers will use all reasonable efforts to ensure that such funds are available. The Respondent agrees that if future levels of funding for district or a Customer are not sufficient to continue operations without any operational reductions, district or the Customer, in its discretion, may terminate the Contract or a pending order under the Contract, either in whole or in part. In the event of such termination, district or the Customer will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. Hooks ISD and the Customer shall make best efforts to provide reasonable written advance notice to the Respondent of any such Contract or order termination. Notwithstanding the termination or expiration of this Contract, the provisions of this Contract regarding confidentiality, indemnification, transition, records, right to audit and independent audit, property rights, dispute resolution, invoice and fees verification, and default shall survive the termination or expiration dates of this Contract. *Hooks ISD* may, in its sole discretion, terminate this Contract upon thirty (30) days' written notice to Contractor. Such notice may be provided by facsimile or certified mail return receipt requested and is effective upon Contractor's receipt. In the event of such termination, the Respondent shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination.
