March 16, 2020

HOOKS ISD WILL BE CLOSED AS OF MARCH 17, 2020

Hooks ISD will be closing March 17 – March 27, 2020 due to the recent, unprecedented developments relating to COVID-19. The reality is the March 27, 2020 date may be extended, but this will be evaluated at a later time. We are finishing food service and educational plans for students and will be communicating with you as plans are finalized.

Hooks ISD will continue to monitor developments from the CDC and the Texas Department of Health Services as well as continue daily conferences with the Texas Education Commissioner.

Thank you for your support during this time and please know we have the best interest of the students and staff in mind with each decision we are making. This is a very unusual time for regular school business and we appreciate your patience and understanding as we make decisions from this point forward.

Sincerely,

Byron K. Minter

Superintendent, Hooks ISD
