Hooks Elementary School is using the Remind App this year to keep you informed of activities at our school. This is a free messaging tool that makes it easy to reach parents on any device. Remind is a free service that enables us to send quick messages via text, push notifications, or email. We will be able to stay in touch without revealing our personal contact information.

Signing up for messages on Remind is easy. Please see the instructions below on how to receive these messages. Feel free to share this information with others, such as grandparents, who would like to receive information concerning our school. If you signed up last year, you do not have to sign up again. (Example: If your child was in First Grade last year, you are now in the Second Grade 21-22 group.)

## Instructions:

Choose the class or classes you wish to join. For each class, text the message that is associated with that class to the number 81010.

For example: If you have a child in second grade, you will text @sr2032 to the number 81010.

Do this for each class you wish to join. If you have trouble with 81010, try texting the message to 248-817-4538.

Dear Hooks Elementary Students, Parents/Guardians,

I am excited to welcome you to the 2021-2022 school year! Hopefully, the summer has provided you with many memorable opportunities to spend time with family and friends. It is an honor and privilege to serve as the principal of such a wonderful and amazing learning community. As we prepare to embark on another year, I am reminded that the beginning of school is truly a special time, and I am eagerly looking forward to partnering with you as we continue to nurture the ongoing development of your child. Fortunately, our school continues to be a team of exceptionally talented and committed staff that is anchored by a supportive Administration and Board of Education.

We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience
- Completes all homework assignments given by teachers
- Reads daily to develop a love for reading and to improve literacy skills
- Shares school experiences with you so that you are aware of his/her school life
- Informs you if he/she needs additional support in any area or subject
- Knows that you expect him/her to succeed in school and go on to college

This year our school theme will be Western. I am very excited to invite your child to dress up as a cowgirl or cowboy for Back to School Night on August 10th from 6:00-7:00 pm. At this time, your child will meet their teacher and bring their school supplies. The Hooks Elementary staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you.

Sincerely,

*Jennifer DeAnda*
