

Hooks High School Parent Compact

Each school receiving funds under Title I Elementary and Secondary Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in the Title I activities, services, and programs. That compact is part of the school's written parent and family engagement policy developed by the school and parents. The compact must outline how parents, the school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Yearly the compact should be evaluated to determine its effectiveness with revisions made as necessary.

SCHOOL – PARENT COMPACT

Hooks High School and our parents agree that this compact outlines how they will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.
