

Weekly Instructional Plan

Our words are commonly misspelled words. We will have a pretest on Thursday with our test on Friday.

Spelling List one:

Across

Because

Children

Different

Embarrass

First

Have

Little

Maybe

Neighbor

List two:

Cab

Dad

Map

Hat

Tab

Reading: We are asking questions about the story and visualizing as we read. We are reading Because of Winn Dixie and enjoying our discussions.

One of our main points to focus on is using our strategies. We are practicing with passages. Each student should take notes, and find the answers in the text. Each student is assigned a Read Naturally story. Please listen to he/she read it nightly.

Math: We are still learning about fractions. We are working on equivalent fractions. Along with this, we are working to learn our multiplication facts.

ELA: Our focus is to use capital letters and punctuation in our sentences.

Students are brainstorming and learning

to stay on topic. Students are also putting together a parts of speech foldable.
