

HOOKS ISD

2021 Bond Election

Questions of the week...

How soon can you start construction after a bond election passes?

Answer: Bonds approved by voters in November are sold 60-90 days after the election date. Generally, once a bond issue passes, the architects begin the design work and the bid process. Construction itself will begin several months after the election.

What if I am over 65?

Answer: The State Property Tax Code allows for school property taxes on an individual homestead to be "frozen" at the age of 65. If you are 65 years of age or older and you have filed for the "Over 65 Homestead Exemption", there is a ceiling on the amount of school taxes to be paid.

Who can vote in the HISD Bond Election?

Answer: Any registered voter whose primary residence is within the boundaries of the Hooks ISD is eligible to vote in the election.
